GammaVilla GV21L0004-25001

The GammaVilla, characterized by its rectangular shape, unfolds on a single level, offering a linear and functional design that enhances the simplicity of its forms. The rectangular layout allows for an optimal distribution of interior spaces, with large windows opening onto the garden and pool, creating a harmonious continuity between indoors and outdoors.

Surroundings

An elegant project of contemporary villas in the Nomentana area, one of the greenest and best-connected districts of Rome. An oasis of tranquility just minutes from the city center, designed to offer comfort, privacy, and an exclusive lifestyle. Each villa is crafted with meticulous attention to architectural details, energy efficiency, and material quality.

Points of interest

The Nomentana complex is located near the Colosseum, one of Rome's most iconic historical sites, easily accessible by car or public transport.

St. Peter's Basilica and the Vatican can be reached within minutes — a destination of both spiritual and artistic significance.

Immersed in nature

A quiet residential area surrounded by greenery, where nature becomes an integral part of everyday life. Amid parks, tree-lined areas, and pedestrian paths, the setting offers a serene and rejuvenating atmosphere — ideal for those seeking a healthy, outdoor lifestyle without sacrificing the convenience of urban amenities or proximity to the heart of Rome.

SAFETY AND TRANQUILITY

One of the safest areas in Rome, with no crime reported for over ten years — a place where tranquility, serenity, and quality of life prevail, ideal for families and professionals alike.

GRANDE RACCORDO ANULARE

It offers immediate access to all major roadways in Rome, making it easy to travel to every part of the city and beyond.

 Sport

GOLF

Just a few minutes away lies the prestigious Marco Simone Golf Club, host of the 2023 Ryder Cup. A green oasis of sport, relaxation, and nature — perfect for golf enthusiasts or those seeking an exclusive living environment.

TENNIS

The Tennis Club on Via Fratelli Maristi is just two minutes away. It offers courts, lessons, and sports activities for both adults and children, making it a true landmark for active living and everyday well-being.

SS LAZIO YOUTH ACADEMY

The SS Lazio Junior Soccer Club on Via Fratelli Maristi is just seven minutes away. Living here means offering your children a healthy and stimulating environment, thanks to the nearby SS Lazio Youth Academy on Via Fratello Maisti.

EASY FIT FITNESS CENTER

A modern fitness facility featuring a full gym, classes, relaxation area, and personalized programs. The perfect place to maintain an active lifestyle just steps from home.

Master Plan

POSITIONING

The GammaVilla masterplan ensures a perfect balance between architectural coherence, residential comfort, and landscape integration. The independent, sun-oriented housing units are arranged to guarantee privacy, natural lighting, and ventilation, with plots featuring private gardens, dedicated pedestrian paths, and rationalized driveway access.

The internal road system is organized hierarchically to ensure safety and fluid circulation, while technical infrastructures are integrated underground to minimize visual impact and simplify maintenance.

Greenery is structural: selected trees, sustainable drainage systems, and permeable surfaces enhance both living quality and environmental sustainability. Materials, finishes, and fences follow shared design guidelines to ensure aesthetic consistency and high architectural value.

GAMMAVILLA PROPOSAL

3D Floor Plan

GAMMAVILLA PROPOSAL

DAY AREA

Spacious and bright, it opens onto the patio and garden, creating a perfect continuity between indoors and outdoors. The kitchen, connected to the dining area, is designed for everyday conviviality and comfort.

NIGHT AREA

Positioned laterally to ensure tranquility and independence, it features comfortable and private bedrooms with direct or visual views of the surrounding greenery.

UTILITY ROOM | GARAGE

The villa is completed by an integrated garage, well-organized technical rooms, and outdoor spaces designed for relaxation and open-air living.

3D Axonometric View

GAMMAVILLA PROPOSAL

GammaVilla with a rectangular layout features a linear and functional structure, where the rectangular arrangement of spaces enhances brightness, balance, and a seamless continuity between indoor and outdoor areas.

	Battery bank 5 kW / 10 kW / 15 kW		●

**Each villa is equipped with a photovoltaic installation compliant with Legislative Decree No. 199 of November 8, 2021, ensuring the generation of renewable electricity as required for new buildings. The system is sized according to the villa's footprint and designed to exceed the minimum power requirements set by regulation, guaranteeing proper energy coverage and contributing to the home's self-sufficiency. The energy produced is primarily used for self-consumption, reducing emissions and operating costs while supporting a sustainable, high-efficiency living model.*

€ Banking Services

Purchasing a GammaVilla is simple and secure thanks to our banking partnerships, which offer tailored financing solutions designed to meet every client's needs.

MORTGAGE AND FINANCING CONSULTING

We collaborate with leading banks to offer you the best market conditions, assisting you in selecting the most advantageous mortgage or financing solution and guiding you through every stage — from the initial evaluation to final approval.

ASSISTANCE WITH ADMINISTRATIVE PROCEDURES

We assist you in preparing all required documentation, managing the entire banking process while simplifying every step, and ensuring complete transparency — with no hidden surprises.

A CLEAR AND SECURE PROCESS

We offer a turnkey quotation to give you immediate clarity on costs, along with personalized consulting and flexible solutions tailored to your financial needs.

Concierge Service

With GammaVilla, support continues even after delivery through a dedicated concierge service that assists with moving, utilities, and every practical need.

PERSONAL ASSISTANT FOR EVERY NEED

We take care of utility management, moving arrangements, and post-delivery support to ensure a smooth, worry-free transition into your new villa.

EXCLUSIVE SERVICE FOR A CAREFREE EXPERIENCE

With a single dedicated contact always at your disposal, we free you from all bureaucracy and ensure prompt, efficient support for any need.

You wish, we make.
